

ALLWELD *industrial ladders*

High class folding platform ladders

Unparalleled Safety

Yellow powder-coated handrails or safety gates can be fitted to all models. A huge 700mm x 400mm checkerplate platform.

Unparalleled Stability

Wide bases maximises stability. Steps are fully welded inside and out which prevents diagonal flexing. Lever action castors on the larger platforms offer unparalleled stability and are easily operated with your feet.

Aussie built, and *built to last*

Genuine industrial grade platform ladders – load rated to 150kg.

Fully welded using *marine grade*, thick walled, aluminium tube.

Full length grab rails up each side.

Available from two to eight steps (platform height 0.56m to 2.26m).

Conforms to AS/NZS 1892.1:1996
